to item (B) of Section 11(b)(1) of the Securities Act of 1933. If BofA Securities has not

resigned pursuant to Section 11(b)(1), please revise your disclosure accordingly.

3. In the letter to shareholders and the Questions and Answers about the Business

Combination, you state that the resignation of the Advisors indicates that the Advisors do

the nature and extent to which Credit Suisse and its affiliates have not withdrawn its

association with the disclosure and underlying business analysis related to the transaction

notwithstanding the resignation by Credit Suisse.

4. We note your disclosure on page $5\overline{3}$ that the "Advisors did not prepare or provide any of

the disclosure in this prospectus/proxy statement or any analysis underlying such

disclosure . . . but Credit Suisse assisted Semantix $\,$ s management with industry data and

other industry and business information to help build the disclosure included in this proxy $% \left(1\right) =\left(1\right) +\left(1\right)$

statement/prospectus, and also with market data, comparable company analysis and other $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

relevant information to help build the Projections, using the estimates, assumptions and $% \left(1\right) =\left(1\right) +\left(1\right) +\left$

input provided by Semantix $\,$ s management, and Credit Suisse supported the preparation of

the PIPE presentation and the analyst presentation, at the direction of Semantix $\,$ s $\,$

 $% \left(1\right) =0$ management. None of Credit Suisse or any of its affiliates has withdrawn its association

with the materials in the immediately preceding sentence or notified Alpha or, to the

knowledge of Alpha or Semantix, the PIPE Investors of such disassociation." We also

note your disclosure on page 54 that "the Alpha Board did not receive or rely upon any

financial or valuation analyses conducted or prepared by any of the Advisors.

 $\hbox{ Please tell us why you describe Credit Suisse as an Advisor} \\ \hbox{that did not prepare or}$

provide "any analysis underlying such disclosure" in your registration statement if

Credit Suisse assisted Semantix with information "to help build the disclosure

included in this proxy statement/prospectus" and assisted with a "comparable $\,$

company analysis and other relevant information to help build the Projections, using

the estimates, assumptions and input provided by Semantix $\,$ smanagement," among

other things.

 $\,\,$ Please disclose whether the Advisors assisted in the preparation or review of any

 $\,$ materials reviewed by the Alpha Board or management as part of their services to the

board or Semantix and whether the Advisors have withdrawn their association with

 $\qquad \qquad \text{those materials and notified Alpha of such disassociation.} \\ \text{Clarify in your disclosure}$

whether any such work product or materials were used in providing or preparing the

disclosure in the registration statement.

 $\hbox{ In light of your disclosure that Credit Suisse provided "information to help build the} \\$

Projections," please also address your statements on pages 197 and 198 that (1)

"Neither Alpha nor Semantix relied on their respective financial advisors in the

preparation and analysis of the materials, including projections, provided to the Alpha

Board for use as a component of its overall evaluation of

Semantix" and (2) the

"Alpha Board did not receive or rely upon any financial or valuation analyses

 $\,$ conducted or prepared by any of the Advisors in making its determination that the

Business Combination Agreement, and the transactions contemplated

thereby,

including the Business Combination, were advisable, fair to, and in the best interests

of Alpha and its shareholders." In regards to these statements, please tell us how you

distinguish the underlying information provided by Credit Suisse from any financial

analyses or other information provided to the Alpha Board.

 $\,$ Please advise how you concluded on page 53 that "None of Credit Suisse or any of its

affiliates has withdrawn its association with the materials" described in your

registration statement in light of your disclosure that Credit Suisse resigned pursuant

to Section 11(b)(1) of the 1933 Act.

 $\,$ $\,$ To the extent Credit Suisse or any of the Advisors were involved in preparing any

disclosure or information that contributed to the preparation of the disclosure, please $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) +\left(1\right) \left(1\right) +\left(1\right) \left(1\right) +\left(1\right) \left(1\right) +\left(1\right) \left(1\right) +\left(1\right) +\left(1\right) \left(1\right) +\left(1\right) +\left(1\right) \left(1\right) +\left(1\right$

revise your risk factor disclosure to reflect any such role in connection with the

 $\,$ preparation of the registration statement and the valuation of Semantix and that the

Advisors disclaim any liability in connection with such disclosure included in the

registration statement. To the extent you relied on any such information, please also

disclose the rationale for continuing to rely on information disclaimed by the $\,$

professional organization associated with or responsible for such information.

5. We note your disclosure on page 131 that Citi is waiving any entitlement to "any fees

under its capital markets advisory agreement." Please disclose approximately how much

Citi was entitled to receive under the capital markets advisory agreement. We further note $% \left(1\right) =\left(1\right) +\left(1\right)$

your disclosure on pages 252 and 269 that "Citi informed Alpha that, since they were not

 $% \left(1\right) =\left(1\right) \left(1\right)$ mandated in any capacity in connection with the proposed business combination with

Semantix, they were waiving their fee." However, on page 131 you state that "Citi

informed Alpha that, since they were not mandated in any capacity in connection with the $\,$

 $\,$ proposed Business Combination with Semantix beyond their capital markets

engagement, they were waiving their fees." Please reconcile or advise. Please also

further describe the role Citi was to perform as Alpha's exclusive capital markets advisor,

further to its engagement letter with Alpha.

6. With a view toward disclosure, please tell us whether your sponsor is, is controlled by, or

has substantial ties with a non-U.S. person. Please also tell us whether anyone or any

entity associated with or otherwise involved in the transaction, is, is controlled by, or has

substantial ties with a non-U.S. person. If so, also include risk factor disclosure that $% \left(1\right) =\left(1\right) +\left(1\right) +\left$

addresses how this fact could impact your ability to complete your initial business

combination. For instance, discuss the risk to investors that you may not be able to $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left$

transaction be subject to review by a U.S. government entity, such as the Committee on $\,$

Foreign Investment in the United States (CFIUS), or ultimately prohibited. Further, $\,$

disclose that the time necessary for government review of the transaction or a decision to

combination and require you to liquidate. Disclose the consequences of liquidation to

investors, such as the losses of the investment opportunity in a target company, any price

appreciation in the combined company, and the warrants, which would expire worthless.

7. We note your response to prior comment 12 and disclosure on page 25 and elsewhere that ${}^{\circ}$

the "Advisors did not communicate to Alpha or Semantix the reasons leading to their $\,$

resignation and waiver of their fees after doing substantially all of the work to earn their

fees." However, on page 132 you state that "Citi cited the inability to conduct sufficient $\ensuremath{\mathsf{C}}$

reconcile or advise.

8. We note your disclosure that Alpha engaged D.A. Davidson to provide capital markets

advisory services on May 24, 2022. Please disclose the material terms of this $\ensuremath{\mathsf{S}}$

engagement, including what services D.A. Davidson was engaged for, the fee to be paid to $\ensuremath{\mathsf{D}}$

 $\ensuremath{\text{D.A.}}$ Davidson, and the termination provision. Additionally, disclose any other costs that

will result from the resignations of the Advisors.

9. We note your revised disclosure that Semantix does not expect Citi's resignation to impact

its lending relationship with an affiliate of Citi. Please advise if there are any

other current relationships with any of the Advisors following the resignations, further to $% \left(1\right) =\left(1\right) +\left(1\right)$

prior comment 13.

10. Please disclose whether the resignations of the Advisors will affect the timing or

completion of the transaction.

11. Please discuss the material terms of your obligations under the capital markets advisory,

financial advisory and underwriting agreements with BofA, Citi and Credit Suisse that

survive the resignation of your Advisors.
